

PROGRAMMING SPONSORSHIP OPPORTUNITIES

Oct 2025

sponsor@radiohillington.org.uk

Radio Hillingdon

Who we are

We are a registered charity run entirely by volunteers, serving the Patients of The Hillingdon Hospital, local Care Homes and the residents within Hillingdon.

We broadcast 24 hours a day inside the Hospital and around the UK on the internet at www.radiohillington.com and via our free smart phone app.

As a registered charity (no. 1204015) we rely on the fund-raising efforts of our volunteers, donations and sponsorship from Companies such as yours.

Radio Hillingdon

Our Audience

Hillingdon Hospital is located in the London Borough of Hillingdon which is a vibrant outer London borough. It is home to around 300,000 residents and represents a very diverse population.

Hillingdon is the second largest borough in London, covering 42 square miles. Traversed by the M4, A40, A4020, the Great Western Railway Hillingdon has always been a transport hub.

It is also home to RAF Northolt and Heathrow Airport which is the World's busiest international airport handling around 66.7 million passengers every year.

How can people listen?

- The Hillingdon Hospital is a district general hospital and has around 500 beds, from which patients can listen to us free via Spark TSL entertainment terminals. On average it treats around 50 thousand patients every year. The Hospital's in-patients stay on average around 3-4 days.
- Up to 1000 listeners listen to Radio Hillingdon online from all over the world, either via our Radio Hillingdon App, via our website www.radiohillington.com or by asking their smart speaker to “play Radio Hillingdon”
- We have television screens playing our output around the Hospital, in the Accident and Emergency adult waiting area, Accident and Emergency paediatric waiting area, X-ray waiting area, Choices restaurant and the Bevan Café.
- We also have 3 care homes in the local area that regularly listen to us and have requests played for their residents via screens in their day rooms.
- We are also currently considering the possibility of applying to broadcast on DAB to the Northwest London area.

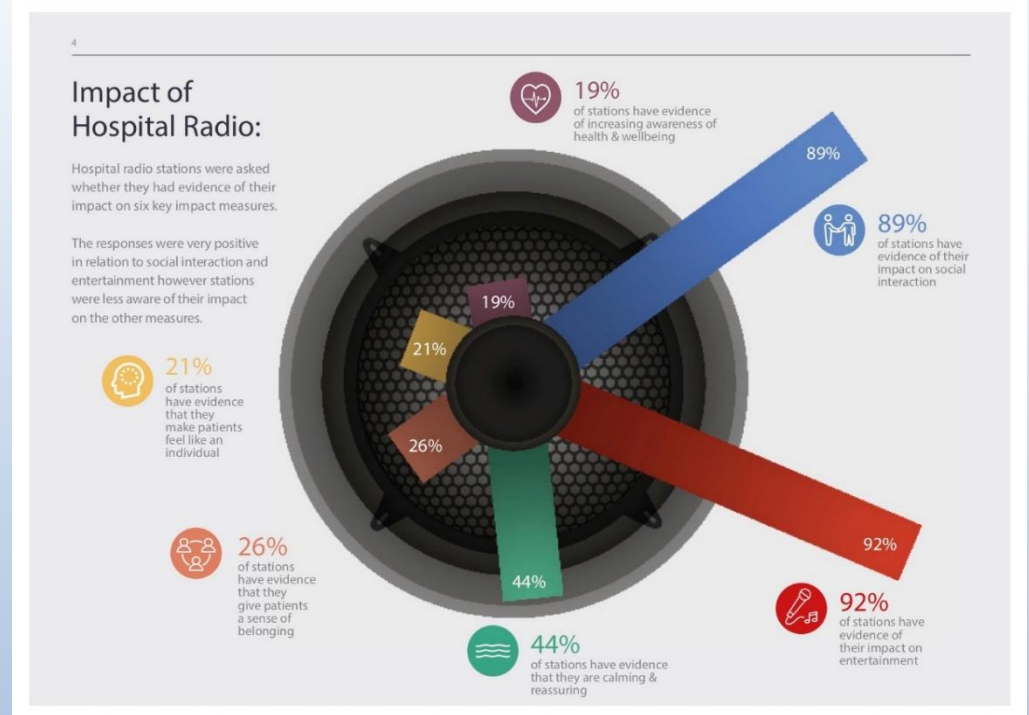

Radio Hillingdon

Why do we need Hospital Radio?

There is evidence to demonstrate that listening to music has an impact on physical health including blood pressure, heart rate and an increased tolerance of pain (Allen et al, 2001; Khanna & Kotwal, 2010; Mitchell et al, 2005).

Recent research verifies the following elements are favorably reduced by listening to Hospital Radio: Boredom, Loneliness, Anxiousness / frustration, Disorientation and depersonalization (Hospital Broadcast Association, 2016).

Health & Wellbeing – 19%
Feeling Like An Individual – 21 %
A Sense Of Belonging – 26%
Calming & Reassuring – 44%
Social Interaction- 89%
Entertainment – 92%

Radio Hillingdon

What we can offer you.

We offer you a chance to support a fantastic charity for a modest pre-agreed donation. We have a variety of packages available to suit your budget and your needs.

Because of our charitable status we are unable to play adverts in the traditional sense. But we are allowed to have programmes sponsored.

We will mention your Company a pre-determined number of times during a show.

We will produce “Liners” to be played on air during a show for example, “The More Music Breakfast Show is sponsored by Joe Bloggs and sons of Uxbridge”.

We have a selection of male and female voices available.

More Music Breakfast

Monday-Friday

The More Music Breakfast is a Weekday programme broadcast between 6am and 9am presented by Steve Hickman. The Show features the 60's at 6, 70's at 7, 80s at 8, which are all 3 songs in a row. The show also features Sport and Entertainment news along with music from the 60s through to today.
